5 **Terms and Conditions of Contract:**

- 5.1 **Execution of work:** The Contractor shall complete the work strictly and in accordance with the scope of work given in the DNIT (and as modified in the 'Letter of Award') to the total satisfaction of the Engineer-in-charge. The Contractor must keep daily contact with Engineer-in-charge to receive instructions regarding work. In the case of an item for which specifications are not available in the said specifications, relevant BIS specifications applicable as on the date of Tender shall be followed or, alternatively, the specifications may be decided by the Engineer-In-Charge. Though it is not the intent to specify completely herein all aspects of design and constructional features of a prefab hut and details of work to be carried out, the work shall include all incidental and contingent work which, although not specifically mentioned in Scope of Work, are necessary for completion of work in a sound manner with good workmanship and should be acceptable to the Engineer-in-Charge, who will interpret the meaning of the specifications and drawings and shall have the right to reject or accept any work or material, which in his assessment is not complete to meet the requirements of the specifications and or applicable Standards and Codes mentioned elsewhere in the specifications.
- 5.2 **Role of Engineer-in-charge:** The Engineer-in-charge shall carry out general supervision of the work. The work shall be subject to the approval of Engineer-in-charge from time to time for purposes of determination of the question whether the work is executed by the Contractor in accordance with the contract. He has authority to stop the work, whenever he considers such stoppage necessary to ensure the proper execution of the work. The Engineer-in-charge may issue instructions to the Contractor from time to time during the execution of work for the purpose of proper and adequate executions and maintenance of works and the Contractor shall carry out and is bound by the same. He shall also have authority to inspect and reject all works and materials, which do not conform to the specifications. No claim whatsoever on aforesaid account shall be entertained. In case of any clarification the Contractor may contact to the General Manager (Works) whose decision shall be final and binding on the Contractor. The above inspection shall, however, not relieve the Contractor of his responsibilities in regard to defective materials or workmanship and the necessity for rectifying or replacing the same.
- 5.3 **Manner of Notice:** Any notice required or permitted by the Contract shall be in English language and may be delivered personally or may be sent by fax/ registered (pre-paid) mail/ email, addressed to the last known address of the Contractor/ Shrine Board.

5.4 **Contractor Superintendence, Supervision, Technical Staff & Employees:**

i. The Contractor shall be solely responsible for the manner and the method of executing the work and provide experienced and qualified supervisors and other manpower for continuous and efficient supervision of works and names of such persons shall be intimated to the Engineer-in-charge during execution of the work and as long thereafter as may be necessary for proper fulfilling the obligations under the Contract. The Engineer-in-charge may direct the Contractor to remove or replace any workman whom he (Engineer-in-charge) considers incompetent or unsuitable. The Engineer-in-charge's opinion as to the competence and suitability of any workmen engaged by the Contractor shall be final and binding on the Contractor.

ii. All questions relating to the arbitration shall be determined in accordance with provisions of the Arbitration and Conciliation Act, 1996 and the amendments thereto and any re-enactment or modification thereof and the rules framed there under

5.5 **Information to be supplied by Contractor after award of work:** The Contractor shall submit a Time schedule for fabrication, testing, delivery and installation of signage board within five days from the issuance of Letter of Award .Any change(s) suggested by Engineer-in-charge shall be incorporated and the work on the contract shall be executed according to the approved time schedule. The schedule should be co-related with the date of commencement of Shri Amarnathji Yatra- 2022 (30.06.2022).

5.6 **Commencement of work and completion of drawings:** The Contractor shall be provided with one set of drawings containing details of construction layout, critical sectional details along with dimensions with the Tender Document. These drawings shall be;

- a) All general arrangement drawings.
- b) Details along with drawings of various assembled equipment as may be needed generally by Shrine Board for purpose of dismantling/ re-erection/ repair/ modification of structures

5.7 **Inspection of Work:**

- (i) All work under or in course of execution or executed in pursuance of the contract shall at all times be open to the inspection and supervision of Engineer-in-charge or his subordinate in-charge of the work.
- (ii) The Contractor shall provide and pay for all necessary tools, instruments gadgets and testing equipments required for conducting various tests. Any defects in material and / or in workmanship detected during initial testing

shall be rectified by the Contractor at his own cost. The testing shall be carried out in the presence of Engineer-In-Charge or his representative to his entire satisfaction. The Contractor will produce before the Engineer-in-charge a Test Certificate specifying that the material required for work conforms to ISI standards before it is incorporated in the work.

- (iii) Final inspection will be carried out at the installation site by the Engineer-in-Charge. Whenever preliminary inspection, if any, is carried out at Contractor's works the same shall be subjected to final inspection after complete installation of structures at site (respective sites) and the decision of Engineer-in-charge shall be final.
- (iv) The material rejected by Engineer-in-charge must be removed by Contractor within seven days of rejection, failing which the Board reserves the right to get the rejected material removed at the risk and cost of the Contractor.

5.8 **Guarantee and Defect Liability Period:** The work covered by this contract shall be guaranteed by the contractor against faulty material and workmanship **for a period of 12 months from the date of issue of Completion Certificate** by the Engineer-in-Charge. Any part found defective shall be replaced free of all costs by the Contractor. During the guarantee & defect liability, the Contractor shall provide, at no extra cost, necessary material and personnel to carry out the repairs and routine maintenance of the structures. If performance of assigned work during guarantee period is not found satisfactory, the guarantee period will be extended till satisfactory performance is established for further period of reasonable time decided by competent authority of SASB. The services of the contractor's personnel, if requisitioned during the defect liability period, shall be made available free of any cost to SASB. If the defects noticed during the guarantee period are not removed within a reasonable time SASB shall have the right to restore/rectify the defects at the contractor's risk & cost.

5.9 **Performance Guarantee:** (i) The work shall be executed according to the schedule approved by Engineer-in-charge. Delay in completion of job for a max period of 5 days shall attract a penalty @ 2% of Contract value. After 5 days delay, the General Manager (Works) reserves the right to get the work completed through alternate agency at the risk and cost of the Contractor. The CEO/ Addl. CEO, SASB, on a representation from the Contractor may reduce the amount of penalty and the decision of the competent authority shall be final and binding.

- (ii) In the event of any loss being caused to the Shrine Board as a result of any lapse on the part of Contractor or personnel engaged by him, duly established after an enquiry conducted by the SASB, the said loss will be recovered from the Contractor upto twice the value of the loss. In such

matters, the decision of CEO, SASB shall be final and binding on the Contractor.

(iii) If it shall appear to Engineer-in-charge, that any part of work has not been executed or executed with unsound, imperfect or unskilful workmanship or with materials of any inferior description or that any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to the contracted for, or otherwise not in accordance with the contract specifications, the Contractor shall, on demand in writing from the Engineer-in-charge specifying the work materials, articles complained or not withstanding that the same have been inadvertently passed, certified and paid for, forthwith rectify or remove and reconstruct the work so specified in whole or in part as the case may require, or as the case, remove the materials or articles so specified and provide other and suitable materials or articles so specified at his own cost and in the event of his failing to do so within a period to be specified by the Engineer-in-charge, then the Contractor shall be liable to pay compensation at the rate of 1% on the amount of the estimate for every day not exceeding ten days and after completion of ten days the Engineer-in-Charge may rectify or remove, and re-execute the work or remove and replace with other materials or articles complained of, as the case may be at the risk and expenses in all respects of the Contractor. The Engineer-in-charge may reduce the rates at which payments are to be made if the quality of work, although acceptable, is not upto required standard, set forth in the DNIT (as modified by Letter of Award).

(iv) Any deviation/ non-compliance with conditions prescribed in the contract shall invoke penalty as decided by CEO/ Addl. CEO, SASB.

5.10 **On-Site Support during erection of structures:** As a part of the support, the Contractor will provide qualified engineers and other works to execute the aforesaid works.

5.11 **Conformity with Statutory Acts, Rules, Standards and Codes:** The construction and installation shall be carried out in conformity with applicable Acts, Rules, Standards and Codes. Adherence of compliance shall be the sole responsibility of the Contractor to the above Acts, Rules, Standards and Codes applicable in Jammu and Kashmir to the said work.
