6. Terms and Conditions of Contract

6.1 **Execution of work:** The Contractor shall complete the work strictly and in accordance with the scope of work given in the DNIT (and as modified in the 'Letter of Award') to the total satisfaction of the Engineer-in-charge (General Manager Works) or any other engineer appointed by CEO/ Addl. CEO, (SASB). The Contractor must keep in daily contact with Engineer-in-charge to receive instructions regarding work. In the case of an item for which specification are not available in the said Specification, relevant BIS specifications applicable as on the date of Tender shall be followed or, alternatively, the specifications may be decided by the Engineer-In-Charge. Though it is not the intent to specify completely herein all aspects of design and constructional features of a prefab hut and details of work to be carried out, the work shall include all incidental and contingent work which, although not specifically mentioned in Scope of Work, are necessary for completion of work in a sound manner with good workmanship and should be acceptable to the Engineer-in-Charge, who will interpret the meaning of the specifications and drawings and shall have the right to reject or accept any work or material, which in his assessment is not complete to meet the requirements of the specifications and or applicable Standards and Codes mentioned elsewhere in the specifications.

6.2 **Role of Engineer-in-charge:** The Engineer-in-charge shall carry out general supervision of the work. The work shall be subject to the approval of Engineer-in-charge from time to time for purposes of determination of the question whether the work is executed by the Contractor in accordance with the contract. He has authority to stop the work, whenever he considers such stoppage necessary to ensure the proper execution of the work. The Engineer-in-charge may issue instructions to the Contractor from time to time during the execution of work for the purpose of proper and adequate executions and maintenance of works and the Contractor shall carry out and be bound by the same. He shall also have authority to inspect and reject

all works and materials, which do not confirm to the specifications. No claim whatsoever on aforesaid account shall be entertained. In case of any clarification the Contractor may appeal to the CEO/ Addl CEO whose decision shall be final and binding on the Contractor. The above inspection shall, however, not relieve the Contractor of his responsibilities in regard to defective materials or workmanship and the necessity for rectifying or replacing the same.

6.3 **Manner of Notice:** Any notice required or permitted by the Contract shall be in English language and may be delivered personally or may be sent by fax/ registered (pre-paid) mail/ email, addressed to the last known address of the Contractor/ Shrine Board.

6.4 **Contractor Superintendence, Supervision, Technical Staff & Employees:** The Contractor shall be solely responsible for the manner and the method of executing the work and provide experienced and qualified supervisors and other manpower for continuous and efficient supervision of works and names, and names of such persons shall be intimated to the Engineer-in-charge during execution of the work and as long thereafter as may be necessary for proper fulfilling the obligations under the Contract. The Engineer-in-charge may direct the Contractor to remove or replace any workman whom he (Engineer-in-charge) considers incompetent or unsuitable. The Engineer-in-charge's opinion as to the competence and suitability of any workmen engaged by the Contractor shall be final and binding on the Contractor

6.5 **Information to be supplied by Contractor after award of work:** The Contractor shall, within five days of Letter of Award of work, prepare and submit a Time schedule for fabrication, testing, delivery at Base Camp (Baltal), carriage upto , erection and handing over (completion) for approval of Engineer-in-charge. Any change suggested by Engineer-in-charge shall be incorporated and the work on the contract shall be executed according to the approved schedule as aforesaid. The schedule should be co-related with the date of commencement of Shri Amarnathji Yatra- 2016 (dates to be intimated later). The prefab huts, complete in all respects, but in knock-down condition should reach Domel (Baltal Axis) latest by 15th June,2017

6.6 **Commencement of work and completion of drawings:** The Contractor shall be provided with one set of drawings containing details of construction layout, critical sectional details, piping routes along with dimensions with the Tender Document. These drawings shall be;

- a) All general arrangement drawings.
- b) Details along with drawings of various assembled equipment as may be needed generally by Shrine Board for purpose of dismantling/ re-erection/ repair/ modification of prefab huts.

6.7 **Time Extension:** If the Contractor shall desire an extension of the time limit for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other ground he shall apply in writing to the Engineer-in-Charge within one day of the date of the hindrance on account of which he desires such extensions and Engineer-in-Charge, if in his opinion (which shall be final) reasonable grounds as shown thereof, authorized such extension of time if any, as may, in his opinion be necessary or proper.

6.8 **Inspection of Work:** (i) All work under or in course of execution or executed in pursuance of the contract shall at all times be open to the inspection and supervision of Engineer-in-charge or his subordinate in-charge of the work.

(ii) The Contractor shall provide and pay for all necessary tools, instruments gadgets and testing equipments required for conducting various tests. Any defects in material and / or in workmanship detected during initial testing shall be rectified by the Contractor at his own cost. The testing shall be carried out in the presence of Engineer-In-Charge or his representative to his entire satisfaction. The Contractor will produce before the Engineer-in-charge a Test Certificate specifying that the material required for work conforms to ISI standard before it is incorporated in the work.

(iii) Final inspection will be carried out at the installation site by the Engineer-in-Charge. Whenever preliminary inspection, if any, is carried out at Contractor's works the same shall be subjected to final inspection after complete installation of prefab huts at site (respective sites) and the decision of Engineer-in-charge shall be final.

(iv) The material rejected by Engineer-in-charge must be removed by Contractor within seven days of rejection, failing which the Board reserves the right to get the rejected material removed at the risk and cost of the Contractor.

6.9 **Guarantee and Defect Liability Period:** The work covered by this contract shall be guaranteed by the contractor against faulty material and workmanship for a period of 12 months from the date of issue of Completion Certificate by the Engineer-in-Charge. Any part found defective shall be replaced free of all costs by the Contractor. During the guarantee & defect liability, the contractor shall provide, at no extra cost, necessary material and personnel to carry out the repairs and routine maintenance of the prefab huts. If performance of equipment during guarantee period is not found satisfactory, the guarantee period will be extended till satisfactory performance is established for further period of reasonable time decided by CEO, SASB. The services of the contractor's personnel, if requisitioned during the defect liability period, shall be made available free of any cost to SASB. If the defects noticed during the guarantee period are not removed within a reasonable time SASB shall have the right to remedy the defects at the contractor's risk & cost.

6.10 Performance Guarantee: (i) The work shall be executed according to the schedule approved by Engineer-in-charge with all due diligence (time being deemed to be the essence of the contract on the part of the Contractor). The Contractor shall pay as compensation of an amount equal to 2% of the contract value or such smaller amount as Engineer-in-Charge may decide, for delay of every day upto a maximum of five days that the work remains un-commenced or unfinished after the dates mutually agreed upon by the parties. After a delay of five days, the CEO reserves the right to get the part or whole work completed under risks and cost of the Contractor. The CEO/ Addl. CEO, SASB, on a representation from the Contractor is, however, empowered to reduce the amount of compensation and his decision shall be final.

(ii) In the event of any loss being caused to the Shrine Board as a result of any lapse on the part of Contractor or personnel engaged by him, duly established after an enquiry conducted by the SASB, the said loss will be recovered from the Contractor upto twice the value of the loss. In such matters, the decision of CEO, SASB shall be final and binding on the Contractor.

(iii) In case, the Contractor fails to submit the Time schedule as prescribed in clause 6.5 above, he shall be liable to pay a sum equivalent to 1% of the value of the work subject to a ceiling of Rs. 2.00 lac only as may be fixed by the CEO, SASB concerned and in this respect, the decision of the CEO, SASB shall be final and binding on the Contractor.

(iv) If it shall appear to Engineer-in-charge, that any part of work has not been executed or executed with unsound, imperfect or unskillful workmanship or with materials of any inferior description or that any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to the contracted for, or otherwise not in accordance with the contract specifications, the Contractor shall, on demand in writing from the Engineer-in-charge specifying the work materials, articles complained or not with-standing that the same have been inadvertently passed, certified and paid for, forthwith rectify or remove and reconstruct the work so specified in whole or in part as the case may require, or as the case, remove the materials or articles so specified and provide other and suitable materials or articles so specified at his own cost and in the event of his failing to do so within a period to be specified by the Engineer-in-charge, then the Contractor shall be liable to pay compensation at the rate of one percent on the amount of the estimate for every day not exceeding ten days and after completion of ten days the Engineer-in-Charge may rectify or remove, and re-execute the work or remove and replace with other materials or articles complained of, as the case may be at the risk and expenses in all respects of the Contractor. The Engineer-in-charge may reduce the rates at which payments are to be made if the quality of work, although acceptable, is not upto required standard, set forth in the DNIT (as modified by Letter of Award).

(v) Any deviation/ non-compliance with conditions prescribed in the contract shall invoke penalty as decided by CEO/ Addl. CEO, SASB.

6.11 On-Site Support during erection of huts: As a part of the support, the Contractor will provide qualified engineers and other works to execute the aforesaid works.

6.12 Sub-contracting: The contractor may sub-contract part of the work with the permission of Engineer-In-Charge. However, overall responsibility of the Contract for compliance with the contract terms does not alter by sub-contracting.

6.13 Conformity with Statutory Acts, Rules, Standards and Codes: The construction and installation shall be carried out in conformity with applicable Acts, Rules, Standards and Codes. Adherence of compliance shall be the sole responsibility of the contractor to the above Acts, Rules, Standards and Codes applicable in Jammu and Kashmir to the said work.

6.14 Safety codes and regulations: The contractor shall at his own expenses arrange for the safety provisions as per statutory regulations wherever applicable

6.15 Provision of utilities / tools etc: Power supply, water supply and other utilities, if required, at site of work during execution under this Contract shall be arranged by the Contractor at his own cost. The contractor shall be responsible for supply and transportation of water to work site in required quantities both for construction works and drinking purpose of his workers. The contractor shall be responsible for provision and transport of adequate and right type of tools/ accessories, manpower etc in time for efficient execution of work and as may be suggested by Engineer-in-Charge in this regard.

6.16 Storage of materials and safe custody: Lockable storage space, if available shall be made available to the Contractor by the SASB. However, the contractor shall be responsible for watch & ward and safe custody of his equipment and installation till they are formally taken over by SASB. Non-availability of lockable storage space due to any reasons shall not relieve the contractor of his contractual obligations in any manner.

6.17 Liability:

i) Except as otherwise expressly provided, neither the Board's nor its servants, agents or nominees, shall have any liability or responsibility whatsoever to whomsoever (including the owner) for loss or damage to the equipment and or loss or damage to the property of contractor and/ or its sub-contractors, irrespective of how much loss or damage is caused unless caused by willful and gross negligence of the Shrine Board and/ or its servants and/ or any other person. The Contractor shall protect, defend, indemnify and hold harmless the Board from and against such loss or damage and any suit, claim or expense resulting there from.

ii) Neither the Board nor its servants, agents, nominees, assignees, sub-Contractors shall have any liability or responsibility whatsoever for injury to, illness, or death of any employee of the Contractor irrespective of how such injury, illness or death is caused unless caused by willful and gross negligence of the Board and/ or its servants, agents, nominees, assignees. The Contractor shall protect, defend, indemnify and hold harmless the Board from and against such loss or damage and any suit, claim or expense resulting there from.

6.18 Patents and other Industrial Property Rights: The prices stated in the present Contract shall be deemed to include all amounts payable for the use of patents, copyrights, registered charges, trademarks and payments for any other industrial property rights. The seller shall indemnify the buyer against all claims from a third party at any time on account of the infringement of any or all the rights mentioned in the previous paragraphs, whether such claims arise in respect of manufacture or use. The seller shall be responsible for the completion of the supplies including spares, tools, technical literature and training aggregates irrespective of the fact of infringement of the supplies, irrespective of the fact of infringement of any or all the rights mentioned above.

6.19 Terms of payment: Contractor is to submit the bills in triplicate along with delivery challans to the Engineer-in-charge for works executed by him duly certified by the Engineer-in-charge. Ninety percent (90 %) Payment to the agency shall be made after supply and assembling/erection at the respective site and the balance 10% shall be made;

- 5% of the contract Value after completion of warranty period of one year.
- 5% of the contract Value after on-site support as per clause 6.11 is satisfactorily provided by the Contractor.

6.20 The Contractor shall have no claim against the Shrine Board in respect of any work which may be withdrawn, but only for work actually completed under this contract. The SASB reserves the right to cancel the Agreement at any time upon full payment of work done and the value of the materials collected by the Contractor for permanent incorporation in the work under this Contract upto the date of cancellation of the Contract. The valuation of the work done and the materials collected shall be estimated by the Board's Engineer in the presence of the Contractor. The Contractor shall have no claim to any further payment whatsoever. The valuation would be carried out ex-party if Contractor fails to turn up despite reasonable notice, which will be binding on the Contractor.

6.21 Contractor to be liable for all taxes / statutory levies: The rates specified in the tender shall be for finished work including installation at sites (Baltal/Nunwan) and inclusive of VAT, or any taxes, duties, levies, and other charges etc., in respect of the contract and the rates shall be firm irrespective of any variation in the prevailing rates of taxes, levies, octroi, etc., and any fresh imposition of any of these by State/ Central/ Statuary bodies.

6.22 **Income Tax and VAT and Service Tax Deduction:** i) Deduction on account of Income Tax, VAT/CST and Service Tax shall be made at the rate prescribed by the relevant authority from time to time from the gross payments due to the contractor in accordance with the statutory provisions.

6.23 Termination and Consequences thereof:

- i) The Contract shall be deemed to be automatically terminated on the expiry of duration of the Contract (or extension), if any, thereof.
- ii) In the event that the Contractor at any time during the term of the Contract, becomes insolvent or makes a voluntary assignment of its assets for the benefit of creditors or is adjudged bankrupt, then the Company shall, by a notice in writing have the right to terminate the Contract and all the Contractor's rights and privileges hereunder, shall stand terminated forthwith.
- iii) If the SASB considers that, the performance of the Contractor is unsatisfactory, or not upto the expected standard, the SASB shall notify the Contractor in writing and specify in details the cause of the dissatisfaction. The Board shall have the option to terminate the Contract by giving seven (07) days notice in writing to the Contractor, if the Contractor fails to comply with the requisitions contained in the said written notice issued by the Board.
- iv) In case the Contractor's rights and/ or obligations under the Contract and/ or the Contractor's rights, title and interest to the equipment/ material, are transferred or assigned without the Board's consent, the Board may at its absolute discretion, terminate the Contract.

6.24 **Consequences of Termination:** (i) In all cases of termination herein set forth, the relative obligations of the parties to the Contract shall be limited to the period upto the date of termination. Notwithstanding the termination of the Contract, the parties shall continue to be bound by the provisions of the Contract that reasonably require some action or forbearance after such termination.

(ii) If at any time during the term of the Contract, breakdown of Contractor's equipment results in Contractor's being unable to perform their obligation hereunder for a period of 7 successive days (not including Force Majeure delay), the Board at its opinion, may terminate the Contract in its entirety without any further right or obligation on the part of the Company, except for the payment of money then due. No notice shall be served by the Board under the condition stated above.

- (iii) Upon termination of the Contract, Contractor shall return to the Board all of the Board's assets, which are in Contractor's possession at the time.
- (iv) Notwithstanding any provisions herein to the contrary, the Contract may be terminated at any time by the Board on giving 7 (seven) days written notice to the Contractor and in the event of such termination, the Board shall not be liable to pay any cost or damage to the Contractor except for payment for service charges and other charges as per the Contract upto the date of termination.
- (v) In the event of termination of Contract, the Board will issue Notice of Termination to the Contractor with date or event after which the Contract will be terminated. The Contract shall then stand terminated and the Contractor shall demobilize their personnel and materials.

6.25 Force Majeure: If at any time during the currency of the Contract, either party is subject to force majeure, like civil disturbance, riots, strikes, land disputes etc and acts of Gods, which may prevent either party to discharge the obligations as per the Contract, the affected party shall immediately notify the other party about happening of such an event. Neither party by reason of occurrence of such event be entitled to terminate the Contract in respect of performance of their obligations under the Contract. The performance of obligations under the Contract shall be resumed as soon as practically possible after the event has come to an end or ceased to exist.

6.26 Arbitration: Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications, designs, drawings and instructions here in before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim , right, matter or thing whatsoever, in any arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works, or the execution or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be resolved through joint discussions between CEO, SASB, or his representative and the Contractor. However, in the event of disputes not being resolved by joint discussions, the matter will be referred to a sole Arbitrator to be nominated by the Chairman, Shri Amarnathji Shrine Board (Hon'ble the Governor, J&K), whose decision shall be final and binding on all the parties. The cost of Arbitration shall be borne by the respective parties in equal proportions. During the pendency of the arbitration proceedings and currency of Contract, neither party shall be entitled to suspend the work/ service to which the dispute relates or any other obligation under the Contract on account of arbitration and payment shall continue to be made as per terms of the Contract. The arbitration proceedings will be held at Srinagar/Jammu i.e. with the commence of annual Office move. It is also a term of this contract that no person other than a person

appointed by the Chairman, SASB as aforesaid shall act as arbitrator. In all cases where the amount of the claim in dispute is Rs.50000/- (Rs. Fifty thousand only) or above, the arbitrator shall give reasons for the award. It is also a term of the contract that while invoking arbitration the party invoking arbitration shall specify the dispute or disputes to be referred to arbitration under this clause together with the amount or amounts claimed in respect of each such dispute. It is also a term of the contract that if a party does not make any demand for arbitration in respect of any claim(s) in writing within 90 days of receiving the intimation from the Engineer-in-charge that the bill is ready for payment, the claim if any, shall be

deemed to have been waived and absolutely barred and the owner shall be discharged and released of all liabilities under the contract in respect of these claims. The arbitration proceedings shall be governed by the provisions of the J&K Conciliation and Arbitration Act, 1997, as amended from time to time

6.27 Jurisdiction: Notwithstanding any other courts having jurisdiction to decide the questions forming subject matter of a suit any and all actions and proceedings arising out of or relative to this contract (including any arbitration in terms thereof) shall lie only in the court of competent Civil jurisdiction in this behalf at Jammu and Kashmir, where this contract is to be signed on behalf of SASB and only the said court shall have jurisdiction to try any such actions and/or proceedings to the exclusion of all other courts.
